## TRAP-SHOOTING COMMITTEE'S REPORT.

GENTLEMEN,—In making this report your committee desire to say that the memoranda from which it is made have been kept by Mr. J. N. Frye, who kindly furnishes them to your committee.

There have been twenty-two shot-gun competitions on the range during the year 1886, which were generally well attended, the receipts of which, after deducting expenses for trappers and scorers, amount to . . . . . \$817 33

The total expenditures for the year for clay birds, ammunition, repairing traps, and printing amount to . \$636 39

To which is added the value of clay birds and ammunition on hand . . . . . 31 80

———— 668 19

Balance as profit for year . . . . . \$149 14

Only the "diamond match" (so called) was contested during the year. The prizes offered were five diamond collar-buttons. They were numbered A, B, C, D, and F, and inscribed with the initials, M.R.A., 1886. The winners of the prizes were T. G. Strater, H. Strater, J. S. Sawyer, J. N. Frye, and C. B. Sanborn, respectively, in the order named.

Your committee believe everything necessary to successfully carry on the trap-shooting branch of the Association is in good condition for continued use in the future, and express the hope that the interest in the sport of trap-shooting will receive a new impetus in consequence of the international tournament, which is to be held the coming summer on the grounds of the Wellington Gun Club.

J. S. SAWYER,  
*For Committee.*
